CAO Policy also requires all County employees to complete: (1) Disclosure Statement (AUD 263), see Attachment A; and (2) Statement of Economic Interest (Form 700), located in the Department Personnel Office.

POLICY:

It is the Department of General Service's Policy that "Rules For Incompatible Activities" shall be adopted as department policy. See Attachment B.

All employees shall submit Disclosure Cards (AUD 263), on a semi-annual basis. In addition, a Statement of Economic Interest (Form 700), shall

The Director's Form 700 must be filed, reviewed and retained by the Chief Administrative Officer and Clerk of the Board.

RULES REGARDING INCOMPATIBLE ACTIVITIES

On February 29, 1972, the Board of Supervisors adopted rules governing application of incompatible activities law (G.C. Secs. 1125-27). These rules require each appointing authority to formulate rules specifying those activities for compensation outside of the normal duties of officers and employees under its jurisdiction which are incompatible to or in conflict with their duties as County officers and employees. The rules are available in your department and require you to disclose to your appointing authority, in writing, any outside employment or activity for compensation which relates to your County duties or the functions and responsibilities of your department, office or court, or which may be subject to approval by another County officer or employee.

You are hereby requested by your appointing authority to file the disclosure statement form on the reverse side indicating no outside activity for disclosure, or disclosing those outside activities for compensation which are covered by the rules. Any modifications to previously filed statements should be made at this time also. Please complete the form and return it to your appointing authority.

CONFLICT OF INTEREST CODE FOR THE
SAN DIEGO COUNTY DEPARTMENT OF GENERAL SERVICES

The Political Reform Act, Government Code Section 81000, et seq., requires state and local government agencies to adopt and promulgate conflict of interest codes. The Fair Political Practices commission has adopted a regulation, 2 California Code of Regulations Section 18730, which contains the terms of a standard conflict of interest. It can be incorporated by reference and may be amended by the Fair Political Practices Reform Act. Therefore, the terms of 2 California Code Regulations Section 18730 and any amendments to it duly adopted by the Fair Political Practices Commission are hereby incorporated by reference and, along with the attached Appendix in which members and employees are designated and disclosure categories are set forth, constitute the conflict of interest code of the San Diego County Department of General Services.

Pursuant to Section 4(A) of the standard code, designated employees shall file statements of economic interests with the agency. Upon receipt of the statements of the Director, the agency shall make and retain a copy and forward the original of these statements to the Clerk of the Board of Supervisors. Statements for all other designated employees will be retained by the agency.

JOHN A. MILLER, Director

(Regulations of the Fair Political Practices Commission, Title 2,
Division 6 of the California Code of Regulations)

18730. Provisions of Conflict of Interest Codes.

(a) Incorporation by reference of the terms of this regulation along with the designation of employees and the formulation of disclosure categories in the Appendix referred to below constitute the adoption and promulgation of a conflict of interest code within the meaning of Government Code Section 87300 or the amendment of a conflict of interest code within the meaning of Government Code Section 87306 if the terms of this regulation are substituted for terms of a conflict of interest code already in effect. A code so amended or adopted and promulgated requires the reporting of reportable items in a manner substantially equivalent to the requirements of Article 2 of Chapter 7 of the Political Reform Act, Government Code Sections 81000, et seq. The requirements of a conflict of interest code are in addition to other requirements of the Political Reform Act, such as the general prohibition against conflicts of interest contained in Government Code Section 87100, and to other state or local laws pertaining to conflicts of interest.

(b) The terms of a conflict of interest code amended or adopted and promulgated pursuant to this regulation are as follows:

(1) Section 1. Definitions. The definitions contained in the Political Reform Act of 1974, regulations of the Fair Political Practices Commission (2 Cal. Code of Regs. Sections 18100, et seq.), and any amendments to the Act or regulations, are incorporated by reference into this conflict of interest code
